Dear Terry,

We would like to take this opportunity to thank you and your team for the excellent work on the concrete water tank. As you know the tank had a major leak in it. The tank is now as good as new and should last for a long time.

We have given your details to our water supplier as they are also always being asked for repair people. The water supplier was very impressed by the work.

Many thanks again.  
Kind regards

Chrissy Kiely
